

Do you have a Design Dilemma you need help with...

Would you love the **Help & Experience** of a Professional Interior Designer for a Day

What if I told you I have the a fixed price service to help you **unlock Your Vision** and Transform your Home.

Who is this for?

- You have collated your ideas or already have key furnishings but you are overwhelmed in terms of bringing everything together.
- You have a vision but get caught up constantly second-guessing your choices (meaning nothing is moving forwards)
- Even though you know you have an eye for interiors, you lack the confidence to execute your design ideas and bring them to life.
- You've already invested but your scheme hasn't quite come together as you hoped.

YOU'RE NOT ALONE. I TALK TO CLIENTS LIKE YOU ON A REGULAR BASIS AND KNOW HOW CHALLENGING IT CAN BE TO REACH YOUR DESIGN GOALS.

Let's bust some Myths about Interior Designers

MYTH...

Interior design is expensive & will cost money I don't have

An interior designer will impose their style on me & it won't feel like my home any more

Hiring an interior designer is unnecessary; I can do it myself

Hiring an interior designer is a Luxury; I can put the money to better use

TRUTH...

With the right guidance it can actually save you money

An interior designer will work collaboratively with you, creating a home that reflects you

A professional designer brings expertise & product knowledge saving both time & money

Our 'built' environment has a huge impact on our wellbeing, & shouldn't be compromised

This is your opportunity to work with your own
Professional Designer
with the comfort of knowing that it meets your budget

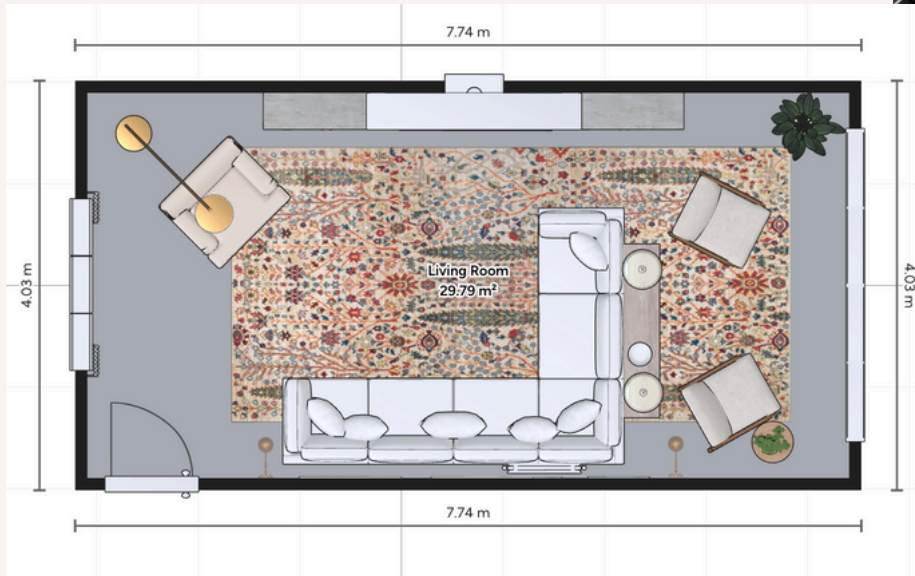

Here's how it works.

- Imagine if you could have access to an experienced interior designer for a day to discuss your ideas before making any further decisions!
- Making changes on paper is so much more cost effective than making expensive mistakes with the wrong choices.
- It's not that your ideas are wrong, you may just need a little bit of help formalising them.

Option 1: Online Consultation:

- A one-hour video consultation focused on one room to discuss your brief/dilemma, followed by a 45minute video presentation within 2 weeks.
- Book your session by selecting a date and time from the link provided upon payment.
- After booking, you'll receive a video link for your consultation.
- Submit your brief/Design Dilemma, including photographs, images, or links (e.g., Pinterest boards) at least 14 working days before the session.
- I'll carefully review your materials, ensuring I'm prepared to offer as much valuable insight as possible in our initial briefing meeting where we can start to discuss options.
- During the call, I will share relevant imagery and ideas tailored to your project.
- We will agree the date (+/- 14 days from our initial meeting) for a 45 minute video call to present the vision boards & finalise your room consultation.
- After the session, you'll receive a written summary, including any images referenced, within 5 working days.
- Fee: **£950** plus VAT

Option 2: In-Person Consultation:

- Prefer face-to-face collaboration? I offer an in-person version of the Design Dilemma service.
- Ideal if you would like hands-on guidance in your space.
- The session includes a site visit of 1.5hrs, where we'll walk through your room, review your ideas, and explore recommendations in real-time.
- We will agree a date (+/- 14 days from our initial meeting) for a 45 minute video call to present the vision boards & finalise your room consultation.
- You'll receive a written summary, including any supporting imagery, within 5 working days of the video call.
- Fee: Starting from **£1,250** plus VAT
(dependent on location) Additional travel expenses may apply.
